## Team Roster Form – 2026

This Official MCYS Team Roster Form, along with signed 2026 MCYS Permission Forms for all players, must be turned into your League Commissioner before your first game is played. The penalty will be forfeiture of any games played with ineligible players (players who do not have a signed, official 2026 Permission Form on file).

A). Players can be added to this roster at any time during the season (must be with a signed 2026 Permission Form), but players cannot be added after June 30, 2026 to be eligible for 2026 MCYS County Tournament play.

B). A limited number of players may be eligible to play on two MCYS League Teams. To be eligible, a 2026 permission slip must be submitted for each League, and those players must be listed on the roster forms for both Teams. Check your MCYS League Rule Book for details.

C). Check your MCYS League Rule Book to determine if your League limits the number of players per roster.
